

Qi Yao | Curriculum Vitae

✉ qiyao.eco@gmail.com ♦ <https://liecology.com/people> ♦ ResearchGate

◆ EDUCATION

- 2022- **East China Normal University**
PhD student in Ecology (Supervised by Prof. Shao-peng Li)
- 2019-2022 **Lanzhou University**
Master in Grassland Ecology (Supervised by Prof. Yanhao Feng)
- 2015-2019 **Lanzhou University**
Bachelor of Grass Science

◆ RESEARCH EXPERIENCE

- 2023- Multidimensional species differences and invasion outcomes
- 2020-2022 Species existence and coexistence in the Park Grass
- 2019-2022 Studying mechanisms driving the responses of alpine grassland communities to climate warming and Nitrogen deposition based on species coexistence theory

◆ RESEARCH PUBLICATIONS

- 1 **Qi Yao** & Yanhao Feng* (2022) Species existence and coexistence under nutrient enrichment in the Park Grass. **bioRxiv**, 2022.2006.2008.495203. <https://doi.org/10.1101/2022.06.08.495203>
- 2 Shao-peng Li*, Shu-ya Fan, Yani Meng, Wengang Zhang, & **Qi Yao** (2023). Darwin's naturalization conundrum: an unsolved paradox in invasion ecology. *Scientia Sinica Vitae*. <https://doi.org/10.1360/SSV-2023-0136>

◆ AWARDS & SCHOLARSHIPS

- 2023 The Excellent Graduate Student Report Award of the 22th China Conference on Ecology
- 2022 The Excellent Post Award of the 21st China Conference on Ecology
- 2020 Scholarship for Outstanding Graduate Students of Lanzhou University, 1st Scholarship
- 2016 Scholarship for Outstanding Students of Lanzhou University, 3rd Scholarship

◆ Skills

- ✓ R, Stan
- ✓ Microsoft Word, Excel, PowerPoint, Adobe Illustrator
- ✓ Fieldwork (i.e. grassland survey, soil sampling, and plot construction)
- ✓ Soil chemical analysis
